

LanguageTarget

```
classDiagram
    class LanguageTarget
    class LanguageAdapter
    LanguageAdapter --|> LanguageTarget
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'LanguageTarget' with a gray background. Below it is a box labeled 'LanguageAdapter' with a white background. A blue arrow points from the 'LanguageAdapter' box up to the 'LanguageTarget' box, indicating that 'LanguageAdapter' inherits from 'LanguageTarget'.
